Guide

The included *Teach Yourself to Play Ukulele* book and disks should contain everything you need to learn how to play the ukulele.

Starting Out

You should probably start by tuning the ukulele. Instructions can be found on page 6 of the included book. If you do not have a piano or electronic tuner, there are several free ukulele tuning apps available for your iOS or Android mobile device

Once tuned, you can continue through the book to learn everything you need to know to start playing the ukulele!
