Woodbourne Library Moves to Temporary Location During Expansion/Renovation Project

Washington-Centerville Public Library officials recently signed a lease with Cross Pointe Associates, LLC for a temporary location to provide library service while Woodbourne Library is being expanded and renovated. This approximately 2,700 sq. feet location will serve as a store front offering:

- Hot bestsellers
- Express books and movies
- Selected children's materials
- Self-Serve hold pickup
- Research assistance

"This will be an accessible, convenient and practical location from which to serve patrons during the expansion and renovation of Woodbourne Library. As we settle into the space, we will evaluate to determine if there are additional services that can be offered from this location," says Kim Senft-Paras, Library Director. Woodbourne Library will close at 5 PM on December 31, 2016 and the new store front library, called Woodbourne @ Cross Pointe, will open sometime in January 2017.

Woodbourne @ Cross Pointe, located at 101 E. Alex Road, Suite 118, will also have space for Friends of WCPL to sort and store books for their annual book sales. The fall book sale, scheduled for October 13-15, will be held at Woodbourne @ Cross Pointe and offers a great opportunity for residents to get a 'sneak peek' at the location while getting great deals on books, movies, magazines and more.

Hours of operation for Woodbourne @ Cross Pointe will be:

- 10 AM – 9 PM Monday-Thursday
- 10 AM – 6 PM Friday
- 10 AM – 5 PM Saturday
- Closed Sunday

In order to continue to meet patron needs as best possible, Centerville Library will expand hours of operation to include Friday evenings. Hours for Centerville Library, beginning January 3, 2017, will change to:

- 10 AM – 9 PM Monday-Friday
- 10 AM – 5 PM Saturday
- 1 – 5 PM Sunday
