## Washington-Centerville Public Library

## Expense Budget Summary

For the Month of April 2023 and Year-to-Date
FOOTNOTES
1-Through the first three months, salary expenditures are nearly $11 \%$ less than budgeted amounts. There are two areas that we are seeing expenditures being
significantly less than anticipated. Administrative Support is nearly $\$ 48,000$ under budget for the year. This is a result of open positions in Systems, Community
Relations and Human Resources. We also are seeing Library Specialist expenditures coming in lower than anticipated, partly due to the anticipated addition of a
Team Leader for Creativity Commons
2 - OPERS expenditures are coming in lower than anticipated due to the open positions that were noted in Footnote \#1, coupled with the raises that were budgeted
for the year. It is anticipated that some of this difference will correct beginning in the April Financial Report
3 - Insurance benefit expenditures were nearly $\$ 8,100$ less than budgeted for the month. Part of this is related to the open positions previously noted. There was
also some additional budgeted amounts to account for changes in coverage types.
4 - Supply expenditures continue to come in significantly under budget. This points to two things. First, staff is doing their due dilligence to search for the best
prices and options prior to making a purchase. Second, the budget process needs to better identify programs, and when they will occur. This will allow to build a
budget that is more reflective of how the money will be spent.
5 - Supplies purchase for resale are nearly $30 \%$ under budgeted amounts, which points to a lot of unknowns about the needs of Creativity Commons. As we get
past the year point of being open, this gives us the opportunity to further revise these amounts
6 - Mileage expenditures for the month exceeded estimates. This item is currently being reviewed by management and has been discussed with several departments
so far. We are moving to a monthly reimbursement of these amounts. We have additionally been working on the development of a new policy
7 - Legal advertisements exceeded the budgeted amounts during April due to the Request for Qualifications advertisement
8 - Utilities costs have been under what was estimated due to milder weather so far
9 - Legal expenditures continue to exceed estimates due to wrapping up of the collective bargaining process
10 - Tax collection fees were greater than estimated due, in part, to the tax collection being heavier weighted toward the first half tax payments.
11 - Online services exceeded the estimated amounts due to the payment of Sierra cloud hosting during April. Due to the unknown on the timing of these payments,
when it was budgeted it was spread over three months.

## APPROPRIATION TRANSFER

## SEARCH OHIO DELIVERY AND LEGAL FEES

This transfer is being requested to account for the Search Ohio delivery fees. When the appropriations were done for the year, the anticipation was that Rush delivery services would be cut. However, at this point, we are not ready to cut these services yet. This resulted in there not being enough in the appropriations to cover the fees for Search Ohio. This appropriation transfer additionally moves these fees out of temporary contract services, and into the collection development costs of the library. This is where these amounts should be reported.

The second part of this transfer is related to the continuing legal fees related to labor. So far, we have spent in excess of $\$ 21,500$. Due to some additional legal fee invoices, plus the anticipation of additional fees, we are asking to transfer $\$ 2,500$ to cover the rest of the year.

To accommodate this transfer, we are asking to move $\$ 5,204.45$ from Temporary Contract Services as it will not be needed there once the expenditures are reported in the new account. The balance of the transfer can then be moved from Administrative Support - Systems. The appropriation for Administrative Support was based on these positions being filled for the entire year. However, these positions have not been filled yet, and these surplus of these funds will not be used for salaries.

The summary of the transfer is:
101.10.53910 - Temporary Contract Services
101.14.51155 - Administrative Support Salaries

## PLACEMENT OF LEGAL ADVERTISEMENT

In order to move the process along for the replacement of the boilers at the Centerville Library, we are asking for the board's approval for the placement of the legal advertisement. We are awaiting the exact wording of the advertisement from Tri-Tech Engineering.
