Step 1. Check out your book on Overdrive

Visit www.wclibrary.info/ecollection and select 'Digital Downloads - OverDrive'. Tap the 'Search' in the upper left, and just below, 'Advanced' will appear. Select that. Pick your search options (i.e. Author, All eBooks, only available copies, etc.) and click the 'Search' button. Browse the titles that appear, and expand the filters above* to find the eBook you want. When a title is available for checkout, the blue banner says 'Available.' There is also a 'Borrow' link beneath the title so you can check it out right away. If the book has holds, the banner will be white and say 'Wait List'. To place a hold, simply tap the words. You will be prompted to login, then type in your email if it's your first time. If the title is available, tap the 'Borrow' below the cover of the book. Click on it, and follow the directions to sign in with your library card number to check out. To read more about the book, such as book flap and series info, tap on the book cover. The circle with three dots offers the options of listening to a sample, viewing details, or additional recommendations (See screen blow-up in red)!
