

Calligraphy Maker Kit

Guide

Calligraphy is the art of creating decorative lettering or handwriting with a broad tip pen and ink. This can be used for invitations, signs, gift tags, and other projects to add a personal, artistic touch.

Project Ideas

In this kit we have included two books on calligraphy, a calligraphy pen set with three separate nibs (pen tips), ink, and two types of practice paper. If you want some extra project inspiration, head over to [CreativeBug](#) for detailed video tutorials.

We have a wide selection of additional calligraphy books in our collection. Find them in our catalog at: <https://bit.ly/2lv6YdY>.
