

## Craft Bin Maker Kit Guide

This kit is designed to help your child play and create.

### Age Recommendations

This kit is recommended for kids ages 3 and up.

**NOTE: This kit contains small parts that are not suitable for children under 3 years old.**

### Starting Out

There are no rules with this kit! Let your child use their imagination to create whatever comes to mind.

Art is an important part of STEAM. Not only will they need problem solving skills to determine how to make their creation with the included supplies, but they will have to practice fine motor skills and hand-eye coordination to use scissors and hole punches. If desired, help your child plan out steps to tackle their creation and practice following directions/sequential learning.
