

Domino Run Maker Kit Guide

This kit is designed to let your child see physics in action!

Age Recommendations

This kit is recommended for kids ages 5 and up.

Starting Out

If your child is interested in building or engineering, then this is the kit for you! Learn all about physics (and patience) as you carefully construct your one-of-a-kind domino run and watch gravity, force, and motion handle the rest.

Additionally, your child will be able to explore cause and effect, use problem-solving skills, and practice attention to detail and mastery of fine motor skills.

Troubleshooting
