

Explore Italy Maker Kit

Guide

Experience a new culture with our Italy-themed maker kit. This engaging kit will bring the thrill of “traveling” into your own home.

Starting Out

Once you have opened the box, the two books, *Italy* and *Tasting Italy* will start your journey with some beautiful scenery and some authentic recipes you can create. The included *Visions of Italy* DVD will take you on a tour of some of the most breathtaking attractions in Italy. The other DVD and CDs will allow you to immerse yourself further in Italian culture. Next, challenge yourself or others with the *100 PICs* trivia game! How much about Italian language, food, or culture did you already know?

Finish off your experience by enjoying the classic Italian game, *Scopa*! Check out this video to learn how to play: <https://tinyurl.com/5n8hzcck>.
