

## Giant 4 In A Row Guide

This kit is designed to let your child have fun outdoors!

### Age Recommendations

This kit is recommended for children ages 10-up with the help of an adult. The age guidelines have been set by the manufacturer due to the game's weight – it can be dangerous if knocked over by younger children.

### Starting Out

Enjoy sunshine, fresh air, and a friendly game of Giant 4 In A Row! Your child might already know this game, but large pieces make it more fun! In addition to practicing hand-eye coordination and spatial recognition, games like 4 In A Row are great for practicing strategic thinking and sequencing, which are great for handling complex plots in chapter books.

**\*NOTE:** This game is NOT waterproof. Please keep away from water to prevent warping or damaging the wood.
