

Learn About Ohio Kit Guide

This kit is designed to give your child an introductory look at our state of Ohio!

Age Recommendations

This kit is recommended for children ages 5 and up.

NOTE: This kit contains small pieces and is not intended for children under 3 years old.

Starting Out

Have fun learning about your home state! There is no right or wrong way to use this kit – simply have fun.

Read about Ohio's history in the *B is for Buckeye* book. Try yourself at presidential trivia to celebrate Ohio's contribution to democracy (more presidents have come from Ohio than any other state). Shake the tambourine to celebrate Ohio's place in rock music (Cleveland is home to the Rock and Roll Hall of Fame). Build a magnetic rocketship to celebrate Ohio's link to aviation (Ohio is home to the United States Air Force Museum and has sent more astronauts to space than any other state). Play a game of Ohio State® Bingo to celebrate our much-loved football team. Finally, try your hand at some vocabulary from the native language of our local indigenous tribe, the Miami (which will also help your English literacy skills)!
