

Beginner's Magic Set Maker Kit Guide

The Beginner's Magic Set is designed to inspire your child's imagination while practicing fine motor skills.

Age Recommendations

This kit is recommended for kids ages 8 and up.

Starting Out

Isn't magic fascinating?

Magic is an artform, but did you know that it also requires knowledge in math and science? This kit will help your child break down illusions and tricks into step-by-step directions – just like how you might tackle a division problem! Additionally, learning sleight of hand requires impeccable fine motor skills and an understanding of physics.
