## Learn a new language from your home computer

Begin your language skill study at:

[www.wclibrary.info](http://www.wclibrary.info)

- Use the Research dropdown to select Research Central.

- Choose a Research Topic or select the Databases A-Z tab to find the listing you want.
- Click the title. Follow the instructions to login.

\* Ohio residents may apply for a card to obtain instant access at [www.wclibrary.info/libcard/index.asp](http://www.wclibrary.info/libcard/index.asp)

Menu

Select this option to discover what you will learn in your Lesson!

Click to collapse it again and get back to your full lesson.

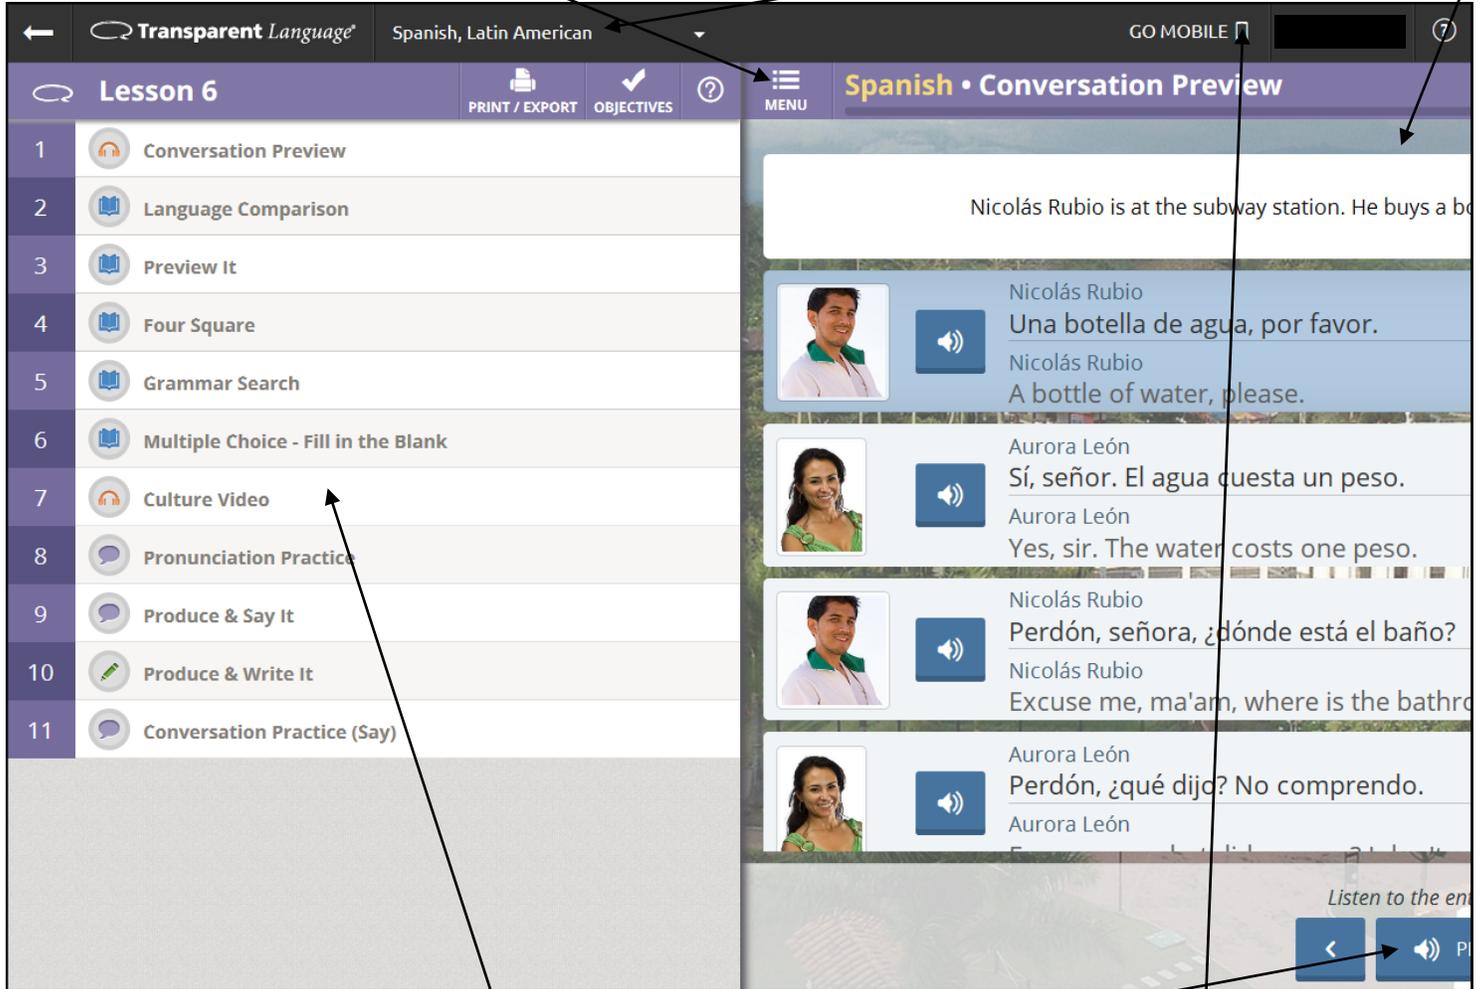

Choose a Language

Want to switch up your language?

Click the drop-down menu, then select the desired language. Over 70 to choose from!

Exercises

Go through each lesson as many times as you need. With a microphone, you can speak back to as you go along, and pronunciation will never be better!

Lesson Activities

Practice your phonetics by comparing your pronunciation of words, choose to hear a word and then type it back and even watch a video in the culture.

Audio

If you need to listen to the audio clip, click 'Play'. The turtle will slow the recording down so you can really hear the correct pronunciations.

Go Mobile

Follow your chosen language on Facebook, or keep up with TLO on Twitter. Get notified of new updates and mobile apps!
