

Library Remains Closed

In accordance with Governor DeWine's extended stay-at-home order and in conjunction with other public entities, Washington-Centerville Public Library will remain closed until it is safe to reopen. Library staff are working to serve patrons virtually and will reinstate select services as soon as it is possible. We appreciate your support as Ohio works to 'flatten the curve' and slow the transmission of COVID-19 (Coronavirus).

Please know that while our physical libraries remain closed, our online library is here to serve you.

[Borrow Materials Online Via:](#)

- Overdrive (Libby) – eBooks, eAudios
