Library's Audiobooks Moving from RBdigital to Libby Reading App

Washington-Centerville Public Library is offering even more digital audiobooks through Overdrive's award-winning Libby reading app. Digital audiobooks previously available through the RBdigital app will be moved to the Library's OverDrive service and become available through Libby by Overdrive starting September 16.

Patrons already enjoying the Libby app will experience no change, other than they may notice even more great titles available through WCPL's eCollection. Audiobooks currently check out in the RBdigital app will be available through the remainder of the lending period, so readers can finish the title without disruption. Library patrons may export their Transaction History from the RBdigital app, then borrow or place holds on those titles again in Libby. Until further notice, readers can continue using the RBdigital app to access Acorn TV, The Great Courses, and Method Test Prep.

For more information, call the Centerville Library at 937-433-8091 ext. 2 or Woodbourne Library at 937-435-3700 ext 2, or visit <https://wclibrary.info/ecollection/>.
